Overseas Group Pavilion Events (TAP)

UK Trade & Investment TAP funding will be available for the above overseas events. From 1st April 2008 grants will be set at different levels for each event. The number of grants available for each event is strictly limited, so funding cannot be guaranteed for all eligible applicants at an event. To find out the level of funding and the number of available grants for each event, please contact the BJGE event coordinator

Full details of UK Trade & Investment exhibition funding are available on our website www.bjgf.org.uk/export
